

Introduction

The newsletter is a newly introducing way of sending information

among all the donors, members, school staff and the students who have been attached and serve the one world foundation education service and who are getting benefits from the owf. Emphasizing further on this newsletter, the importance of sharing news is so important for the progress and the popularity of the owf service. The one world foundation educational service being popularized, benefits the people who are living around the area. The news is very important for all people to get to know that what kind of service is performed for many years by owf. This newsletter will be published once a month and at the end of every year with most important news and highlights.
